WHAT'S DIFFERENT?

A TIMELY FOCUS

This year the Citywide Employee Charitable Campaign is partnering with the Portland Bureau of Emergency Management to focus exclusively on the issues that have affected us the most in 2020: COVID-19, racial justice and equity and the wildfires.

MISSION-CRITICAL ORGANIZATIONS

In all, there are 76 organizations participating in this year's campaign. All of the organizations are partnering with the City to address the issues above and meet the most critical needs in our community, including support for essential employees.

MORE WAYS TO DONATE AND LESS PRESSURE

We understand that many of us have faced hardship this year. That's why we are focused less on achieving a campaign dollar amount and more on the good we can do. This year you can:

- Sign up to make donations through your paycheck in 2021 from November 4 through November 30, 2020.
- Make a donation to the Portland Community Relief Fund which will provide culturally responsive food support to individuals and households in partnership with over three dozen local, Community Based Organizations (CBOs).
- Participate in two food drives organized by the portland Bureau of Emergency Management in November and December
- Donate directly to participating organizations at any time.
- Donate materials and other necessities.
- Donate holiday toys.
- Volunteer your time and share your story on our website.

Visit www.portlandoregon.gov/ccc for more information or to sign up to participate.

Please email Janet Storm at janet.storm@portlandoregon.gov with any questions or to request a paper donation form.
