Office of Neighborhood Involvement

Bureau Summary

BUREAU MISSION

The Office of Neighborhood Involvement mission is to *enhance the quality of Portland's neighborhoods through community participation*. The Office of Neighborhood Involvement is the service bureau that provides opportunities for all Portland neighbors to interact with their City government in building safe and livable neighborhoods. The bureau's goal is to facilitate an open, inclusive community process for discussion of important civic decisions among neighbors, neighborhood associations, businesses, and government.

BUREAU HIGHLIGHTS

Overview

The Office of Neighborhood Involvement (ONI) works to enhance the quality of Portland's neighborhoods through community participation. ONI works to support, improve, and increase the community-wide dialogue around important civic issues. This is done through a variety of means, such as working with neighbors, neighborhood associations, coalitions, business associations and community partners to maintain and improve the livability of Portland's neighborhoods. ONI also works with City bureaus to ensure citizens have an active voice in important decisions, goal setting, and planning for Portland.

The FY 2001-2002 ONI budget provides for a range of programs and services related to public participation, crime prevention, mediation, human rights, information and referral, and administration. ONI has worked to maintain a current level of service and efforts to strengthen public involvement with a budget reduced \$23,951 by cuts due to the Administrative Services Review.

General Description

BUREAU OVERVIEW

The Office of Neighborhood Involvement (ONI) is a fundamental resource for citizens and City staff in the areas of neighborhood and citizen involvement. To achieve this, ONI provides a range of programs and services related to citizen participation and neighborhood and community livability.

ONI is organized into six "centers": Civic Involvement, Crime Prevention, Neighborhood Mediation, Metropolitan Human Rights, Information and Referral, and Administration.

ONI Programs

Civic Involvement Center

The Civic Involvement Center supports the 95 recognized neighborhood associations, Neighborhood Outreach and the Downspout Disconnection Program, and through contract, Elders in Action.

Crime Prevention Center

The Crime Prevention Center provides information and help to neighborhood associations, public safety committees, and other neighbor groups and individuals to coordinate crime prevention organizing, planning, and problem-solving projects.

Neighborhood Mediation Center

The Neighborhood Mediation Center (NMC) provides mediation and conciliation services for various disputes by offering training in consultation, facilitation, and conflict resolution to community groups, organizations, neighborhood associations, and district coalitions.

Metropolitan Human Rights Center

The Metropolitan Human Rights Center (MHRC) provides the information and expertise to help resolve individual and community human rights problems.

Information and Referral Center

The Information and Referral Center serves residents of the City of Portland and Multnomah County by offering one point of contact for inquiries related to City or County services.

Elders in Action

Elders in Action is a non-profit organization that advocates for the needs of older adults, develops new services and resources, and provides public education in order to improve the quality of life for older adults.

ONI has moved the expenses for the Elders in Action program into the Civic Involvement Center for the FY 2001-02 Adopted Budget.

Administration Center

The Administration Center provides bureau-level leadership and financial, personnel, and management expertise to the five program centers.

CHANGES FROM PRIOR YEAR

The FY 2001-02 Adopted Budget represents current service levels in most programs with maintained or slightly decreased funding for materials and services.

**Reorganization of
ONI Central
Administration**

During FY 2000-01, ONI and the bureau's commissioner-in-charge have worked to reorganize the bureau, revisit bureau goals, and re-establish budget priorities. The Adopted Budget for FY 2001-02 represents changes in the allocation of funds within the bureau due to the reorganization of administrative costs. The Administration Center was created to provide clearer administrative reporting and represents the movement of three positions previously reported under the Civic Involvement Center.

FUNDING SOURCES

The majority (75%) of ONI's resources comes from the General Fund. ONI's Information and Referral Program is supported by \$131,737 in General Fund Overhead. ONI also receives funding from other City bureaus and from outside sources. These include the following:

- ◆ \$330,236 from Multnomah County for MHRC, the Community Residential Siting Program, North Portland, and the Information and Referral Center.
- ◆ \$71,000 from the Bureau of Housing and Community Development for the Community Residential Siting Program and St. John's target area.
- ◆ \$252,480 from the Office of Sustainable Development for Bulky Waste Cleanup in the Central Northeast Neighbors coalition area.
- ◆ \$332,709 from the Bureau of Environmental Services for the Downspout Disconnection program and neighborhood outreach in targeted slough areas.
- ◆ \$78,000 from the Bureau of Licences for the Liquor License Notification Program.
- ◆ \$7,700 from the Parks Bureau for projects in North Portland.

- ◆ Strengthen core services and increase cases to 800 per year.
- ◆ Develop the School Mediation Program in partnership with Portland Public Schools.
- ◆ Explore diverse funding sources.

Crime Prevention Center:

The Crime Prevention Center will enhance the quality of Portland's neighborhoods by providing public safety information, maintaining crime prevention services in the neighborhoods, coordinating graffiti abatement services, and providing liquor license notification to neighborhoods.

- ◆ Improve community involvement in crime prevention efforts.
- ◆ Decrease crime and graffiti in Portland in partnership with the Police Bureau and other community partners.
- ◆ Develop the liquor license neighborhood notification program.

MAJOR INITIATIVES

ONI Efforts

The following three initiatives will be the top priority for the bureau in FY 2001-02.

Improve the citizen and public involvement process

ONI will work with neighborhood associations, district coalition and neighborhood offices, business associations, City bureaus, Council offices, and other community partners to maximize opportunities for neighbors to become involved in the public involvement process. This effort will include a process called "Re-Examine, Re-Connect" which will be a community-wide discussion about Portland's neighborhood system.

ONI's objective is to improve and expand public involvement.

Widen the neighborhood involvement process

ONI will work to increase involvement by neighbors who typically have not participated in the City's public involvement process. ONI's Metropolitan Human Rights Center, Refugee/Immigrant Program, and neighborhood outreach staff will partner with other City bureaus such as the Bureau of Housing and Community Development and community groups to provide more outreach and involvement. In addition, ONI will coordinate plans from neighborhood offices and district coalitions that would implement outreach programs to ethnic and cultural communities, new neighbors, and renters.

Partner ONI's neighborhood involvement expertise with other City bureau activities

ONI will partner actively with other City bureaus to coordinate the public outreach and involvement process and to use the neighborhood structure and coalitions so that neighbors have an active voice and clear information about important civic issues.

COUNCIL PRIORITIES

Council Priority: Build a Livable City through Good Planning and Well-Managed Growth

ONI provides technical and financial support for the neighborhood association network; maintains a directory of neighborhood network contacts; facilitates a monthly meeting of the Citywide Land Use Forum; and provides training to citizens on land use and long range planning.

Council Priority: Support Quality Education to Produce Well-Educated Citizens

ONI's neighborhood association network, Downspout Disconnection Project, the Metropolitan Human Rights Center, the Neighborhood Mediation Center, and the Refugee/Immigrant Coordinator all actively work with schools and students to engage them in activities and programs.

Council Priority: Ensure a Safe and Peaceful Community

ONI's Crime Prevention program provides staff and technical assistance to individual neighbors and neighborhood groups on crime prevention techniques. The Crime Prevention staff work directly with the Police Bureau and other law enforcement groups to enhance Portland's community policing efforts.

Council Priority: Promote the Inclusion of Under-Represented Neighborhoods and Groups in City Activities and Services

ONI's guidelines were revised to expand the neighborhood association network to include communities without neighborhood boundaries, including ethnic or racial communities not necessarily located in one geographic region. MHRC, the Refugee/ Immigrant Coordinator, and the Outreach Coordinator are resources to City officials and staff who seek to access and serve under-represented populations.

Council Priority: Become a More Effective Partner in the Region.

ONI continues to partner with businesses, community-based services, neighbors, and regional agencies to coordinate and improve the public participation process. Currently, ONI is working with a consortium of private and public partners to develop a citizen involvement institute at Portland State University.

Overview of Programs

CITIZEN PARTICIPATION

Neighborhood Network

Portland's neighborhood network is made up of 95 neighborhood associations, seven neighborhood offices located throughout the city, and 40 neighborhood business district associations. Through ONI's outreach program, staff work to create community-building partnerships, provide information and technical assistance to other City bureaus' outreach and involvement efforts, and to train community members in leadership and community organizing skills. This neighborhood network system is a model for which Portland continues to receive national and international attention.

Elders in Action

Elders in Action is a private, non-profit organization that advocates for the needs of seniors, assists them in advocating for themselves, and gives Portland's elderly population access to policy makers. The City and County jointly fund this program. The City's contribution is a contract for services and funding for the position of program director.

CRIME PREVENTION

Neighborhood-based crime prevention services are an important part of the City of Portland's community policing efforts. Working out of the seven coalition and neighborhood offices, crime prevention staff provide public safety information and training to neighborhood associations, public safety committees, other community groups, individual residents, and businesses. This includes community safety organizing, establishing crime watch and foot patrols, and providing training in problem solving to enhance citizen skills in addressing issues, such as problem liquor outlets, drug houses, and gang-related concerns.

Crime Prevention programs link citizens with City and County community policing programs. These include the Portland Police Bureau's Neighborhood Liaison Officer Program, precinct neighborhood response teams, Gang Enforcement, the Drug and Vice Division, the Bureau of Licenses, and Office of Planning and Development Review programs.

Graffiti Abatement

Another component of the Crime Prevention Center is the Graffiti Abatement Program. This program focuses on enforcement, eradication, and education of graffiti. The program promotes citizen reports of graffiti to the Portland Police Bureau and works with legal system representatives on the arrest and prosecution of graffiti vandals (taggers). The program coordinates all paid and volunteer graffiti removal efforts on a citywide basis and provides presentations to community groups, schools, and other public forums regarding graffiti trends, community impacts, and opportunities for public involvement in prevention.

**Liquor Licence
Notification**

The Drug and Vice Division of the Police Bureau coordinates with ONI and Noise Control in processing liquor license applications for premises located within the city of Portland. ONI's primary responsibility is notification of affected parties of pending liquor license applications. ONI collects documentation of community support and/or opposition to license applications to be considered by the Chief of Police in making a recommendation to the Oregon Liquor Control Commission (OLCC). Where appropriate, ONI may assist in problem resolution between neighbors and applicants. ONI also provides public education regarding the application process and preparation for testifying at the OLCC.

NEIGHBORHOOD MEDIATION CENTER

The Neighborhood Mediation Center (NMC) has been assisting neighbors in the resolution of their disputes since 1978. It is the oldest City-funded community mediation program in the United States. NMC provides free mediation and conflict resolution services using trained volunteer mediators through the Citizen-Police Mediation Program, the Neighborhood Mediation Center Program, the Manufactured Dwelling Park Mediation Program, and the Community Residential Siting Program.

**Citizen Police
Mediation Program**

The Citizen-Police Mediation Program is a joint project with the City of Portland Police Bureau. This program encourages Portland residents and officers to talk through their differences on neutral ground. The Police Bureau's Internal Affairs Division refers cases to NMC for mediation as an alternative process to formal investigation.

The School Mediation component of the Neighborhood Mediation Center provides crisis intervention for interpersonal conflict among students, parents, and teachers in the Portland Public School District. The Center is working with a core group of volunteers and educators to develop an effective classroom curriculum that is youth specific and multicultural.

**Manufactured
Dwelling Park
Mediation Program**

NMC's Manufactured Dwelling Park Mediation Program was launched this year in partnership with the Oregon Department of Housing and Community Services, Manufactured Dwelling Park Ombudsman Program. The Center has developed a comprehensive outreach plan to Portland's 63 mobile home parks, encompassing about 3005 spaces. NMC staff and volunteers offer mediation services and training workshops related to landlord/tenant issues, park environments, and interpersonal disputes.

**Community
Residential Siting
Program**

The Community Residential Siting Program (CRSP) provides neighbors, service providers, and developers with a range of strategies to bring about dispute resolution. These alternative approaches are becoming more important in a context of emerging community concerns about proposed siting or ongoing operations of existing social service and residential facilities. CRSP is funded in part by Multnomah County.

METROPOLITAN HUMAN RIGHTS CENTER

The Metropolitan Human Rights Center (MHRC) reaches both individuals as they confront their own human rights problems and the community at large as it faces overriding human rights issues. MHRC maintains a broad base of information and has established a strong capacity to listen to civil rights complaints and troubleshoot the process. The MHRC Disability Project has been a prime mover toward universal access in the city and county for people with disabilities. Likewise, MHRC's free Anti-Bias Training Program, Dynamic Differences, and its Community Dialogues on Race Relations, foster a climate of mutual understanding and respect for all members of the community.

**Refugee/Immigrant
Coordination**

This program works to coordinate the information and service needs of Portland's refugee and immigrant communities. Working with organizations as well as individuals, the Refugee and Immigrant Coordinator helps these communities work with law enforcement and other agencies to effectively provide services and resolve problems.

INFORMATION & REFERRAL

The City of Portland-Multnomah County Information and Referral Program (City/County I&R) is a central source for basic information about and referral to City and County programs and the State Circuit Court. The program's mission is to increase and ease citizen access to those services. The City/County I&R line (823-4000) is open Monday through Friday, 8:00 AM to 5:00 PM.

ADMINISTRATION

The Administration Center provides bureau-level leadership and financial, personnel, and management expertise to the other ONI programs.

Performance Measures

Number of Citizens Involved in Neighborhood Activities

- ◆ The neighborhood association network is a vital way for citizens to become involved in neighborhood-based organizations and projects.
- ◆ Increasing the number of involved citizens helps improve neighborhood livability and build community.

Number of New Cases Receiving Mediation Services

- ◆ Discussion about Mediation Center funding and program continuance resulted in a caseload drop in FY 97-98. For a time, the Center declined new cases.
- ◆ The budget was restored in FY 1999-00, resulting in an increase in the number of new cases.

Number of Information and Referral Calls and E-mail Inquiries Received

- ◆ Calls and E-mail inquiries are expected to increase dramatically in 2002 due to a consolidation of City and County information and referral functions.
