Business/Homeowner: _____

Affected Address: _____ Zip: _____

Phone: _____

I, _____, (Owner/Lessee) of said property, agree to participate in the graffiti removal project with the following considerations:

1. Owner/Lessee grants permission for the City to enter onto the property listed above to remove any graffiti. The City may contract with an independent contractor, consisting of crew leaders and staff, to perform the actual graffiti abatement. Owner/Lessee understands that the contractor will not enter onto the property if it is determined that conditions on the property are not safe for performing the graffiti removal.
2. The graffiti removal will be performed by a crew of trained workers and/or volunteers under the guidance and supervision of an adult crew leader.
3. The City will provide any labor and materials needed to remove graffiti free of charge. The performance of work is not dependent upon any reimbursement. The City will accept donations from the owner/lessee in return for assistance in graffiti removal. Any donations should be made payable to the City of Portland. Donations will be placed in the Graffiti Nuisance Abatement Trust Fund to be used for citywide graffiti abatement efforts.
4. Neither the Contractor nor the City of Portland has or will have any responsibility or obligation, legal or otherwise, in connection to the work performed, or with the materials or equipment supplied, except as expressly stated herein.
5. The City cannot guarantee an exact paint match. Property owners are welcomed to provide paint if a closer or exact match is desired.

Check here if you have, or will provide, matching paint for your building.

I (Owner/Lessee) have read and understand all of the above conditions. By signing this agreement, I acknowledge that I agree and accept these terms.
