

You're invited to a National Night Out Party!

National Night Out is an annual celebration where the community gathers at small block parties and neighborhood events to strengthen their relationships with one another and public safety officials in the spirit of creating safer neighborhoods. When neighbors get to know each other at NNO and block parties, they create a connected and safer community.

Come to our Neighborhood Party:

Location: _____

Date and Time: _____

Contact: _____

We hope to see you there!
