Agenda Item	Action
I. Call to Order	WELCOME
II. Panel discussion with a variety of professionals from the development and building trades community discussing the use of pile drivers on construction sites in Portland. The Board is in the beginning stages of exploring the issue of noise from pile drivers. No formal final decisions will come out of this month's meeting. The panelists are being asked to attend to help educate the Noise Board members about the general technical details of different techniques used to shore up buildings in our seismically active State and specifically in Portland.	Discussion
III. General Open Public Testimony	
IV. Adjournment	

For language or disability accommodations, contact the Noise Control Office at least 2 business days prior to the event.
