Title	President	Email: olsonpdx@yahoo.com

1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

In order to prevent theft from the licensed premises the following preventative measures have been put into place.

Prevention of Burglary, Robbery, Shoplifting

- An alarm system including door sensors, motion sensors, panic buttons, and glass breaks covers the entire building for which the medical marijuana dispensary resides. All entry's/exits to the entire building are covered by door sensors. Every room besides bathrooms are covered with motion sensors. The alarm system is always armed during non-business hours. There are 4 panic buttons which are in the hands of employees and spread methodically through the building during business hours.
- A 16 channel surveillance system that runs 24hrs a day has been installed at the medical marijuana dispensary. There are high resolution cameras on the exterior of the building covering all sides as well as any entrances/exits to the building. Cameras are also positioned on the inside of the medical marijuana dispensary covering all rooms on the interior as well as entries/exits from these rooms.
- Upon entry to the facility there are no marijuana products in the reception area, all marijuana products are locked behind a door in a restricted access area for which upon entry customers will be accompanied by an employee. All customers will have IDs checked and will be entered into the POS system. During any time there is a customer in a restricted access area, they will be accompanied by an employee. Accompanying customers allow the employee to ensure the customer is not stealing off of the sales floor.
- All marijuana products on the sales floor are behind a counter or in a locked receptical in order to further prevent theft.
- Not all products in their full quantity are on display in the retail store.
- All marijuana products and valuables are locked in a safe or receptical during non-business hours.
- All employees receive a policies procedures guide covering security measures upon starting to work at the store.

2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.

Upon entry into reception area customers will need to present a valid state drivers license or federally issued ID, the customers age will be checked to verify they are 21 years of age or older. Until age is verified to be 21 or over patron will not be allowed to enter restricted access area where marijuana products are sold. As well as checking the age there name and birth date will be entered into the Point of Sale system. Their ID will be checked a second time at the point of sale, here their birth date will be entered into the Point of Sale system which also checks to make sure the person is 21 or over.

3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.

In order to reduce the use of marijuana by underage persons, each customer is presented with a warning card at the time of sale that states that marijuana could be possibly hazardous to your children and to keep all marijuana product out of the reach of children. All marijuana products are sold in child resistant packaging and is labled with a warning keep out of reach of children. We also have posters stating to keep marijuana stored in a locked area in order to better ensure it does not make it in the hands of a minor.

4. Please describe your plan to ensure that marijuana products sold by your business are not consumed irresponsibly in public or in the immediate vicinity of the license premises.

Upon entry to the facility patrons will have IDs checked and are given an intake form to sign. Within the intake form is an agreement that patrons understand that driving under the influence of marijuana is illegal and is not tolerated by Rooted Northwest. As well the agreement states that the customer will act respectfully and sensibly and not consume marijuana products by the front door, on the street, or nearby other businesses and marijuana use must be done in private. Rooted Northwest reserves the right to refuse service for any reason but not limited to: intoxication, misrepresentation, and inappropriate conduct ensuring that if these matters arise they will be taken care of in the proper manner. Posters are placed in the dispensary stating marijuana is illegal to use in public, you must be 21 years of age or older, and driving under the influence of marijuana is illegal. As the customers leave the building the exit door contains a sign that states that consuming marijuana in public is illegal. Rooted Northwest constantly monitors surveillance to ensure there is no illegal activities taking place on the exterior or around the building.

5. Please describe your plan to avoid potential negative impacts to neighborhood livability such as noise, parking or garbage from your patrons.

At Rooted Northwest loitering is not tolerated in doing so this prevents noise and garbage problems. We keep a garbage can by the front door for customers to use as well as clean up trash and garbage outside and around the building on a daily basis. Rooted Northwest has a private parking lot to ensure no neighborhood parking issues arise. We have the utmost respect for our neighbors and are more than willing to take care of any problems that may come up.

6. Please describe the process to respond to complaints from neighboring businesses and residents regarding the licensed premises.

We strive to have great relationships with all neighboring businesses and residents. If there is a complaint we will either resolve the issue immediately for which complaint was issued, or contact the business or resident to listen to their concerns, in order to come to a solution or compromise. Rooted Northwest is dedicated to being a good neighbor and will treat neighboring residents and business's with respect and professionalism.

7. Please include any other pertinent information related to the licensed premises.

Rooted Northwest is open to advice in making our business and the neighborhood it resides a positive, respectful, and friendly place. We would like to build relationships with neighboring residents and business's in order to make the neighborhood a better place for everyone.
