1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

We have installed security video surveillance and alarm systems at the facility. We have a total of eleven (11) security cameras inside and outside the facility with recording capacity of 30 days.

We have installed an security iron gate at the front entrance of the facility.

All marijuana products are stored in a vault.

All cash is stored in a safe.

2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.

Signs indicating access to the sales room is restricted to individuals over the age of 21. The signs will be posted at the front entrance and also posted to the door to the sales room.

All individuals that enter the sales room are required to submit their valid, unexpired, government-issued photo identification card. The employee will then review the card for DOB and upload the identification information to our secured database for review. The identification card is returned to the individual once the transaction is complete, which provides multiple opportunities for the employees to review DOB information on the identification card.

3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.

Signs stating the risks of marijuana use by minors will be placed at the entrance of the facility as well as to the door to the sales room.

4. Please describe your plan to ensure that marijuana products sold by your business are not consumed irresponsibly in public or in the immediate vicinity of the license premises.

We have a total of 11 (eleven) security cameras installed inside and outside the facility. If an individual is consuming marijuana products in public or in the immediate vicinity of the facility, we'll immediately see the security footage on the display. The employees will notify the individuals and call the police if their actions continue.

Signs stating that marijuana products cannot be consumed inside the facility or in public will be placed at the entrance of the facility, to the door to the sales room, and also inside the sales room near the point of sale system.

5. Please describe your plan to avoid potential negative impacts to neighborhood livability such as noise, parking or garbage from your patrons.

Part of our daily routine is to inspect the area outside and around the facility. We make an effort to clean trash from around the facility as well as paint graffiti on the walls. The neighboring businesses are welcome to provide feedback our submit complaints to us and we'll always make the effort to make things right and provide a solution.

6. Please describe the process to respond to complaints from neighboring businesses and residents regarding the licensed premises.

We are committed to running a professional and respectful business in the local community. Although the marijuana industry may have a stigma associated with it, we truly believe that by running a professional business that listens to the community is the only way to run a legitimate and successful business. We have built great relationships with the neighboring businesses and that's reflected by the high level of communication with our neighbors. if our neighbors have issues or complaints, they always contact us so we're aware. We always make an effort to make things right and address the problem.

7. Please include any other pertinent information related to the licensed premises.
