2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

If we observe the use of cannabis around or near our business we will inform the patron that they are breaking the law. They are not allowed to consume cannabis in public and we would politely ask them to discontinue the use of cannabis in or around our facility or we will have to ask them to leave.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

We have plenty of parking spaces for our facility. Our hours of operation are from 8-10 so any noise is during normal business hours. We have trash cans on the outside of our facility. We would politely ask anyone loitering to leave.
