1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

We prevent minors from entering the licensed premises, obtaining marijuana items, or attempting to obtain marijuana items as required by OARs 845-025-1230(6)(a) and 845-025-8520. We check all consumer's identification to verify that the consumer is at least 21 years of age prior to access being granted through a locked door that requires access to be granted by employees only. In particular, we ensure that we

- post signage, at each licensed premises and point of sale that reads, "No Minors Permitted Anywhere on This Premises;"
- sell and produce only products that are packaged in child-resistant containers; and,
- implement policies that require all employees, before a sale is made, to check a consumer's identification to verify that the consumer is at least 21 years of age.
