ID is checked both when a customer enters the business and at the time of sale. Any person under 21 who does not have a med. marijuana card will be refused access. If an employee checking ID has any reason to believe the ID of a customer is invalid, the customer will be refused service and will be asked to leave the premises. Signs are clearly posted at all entry points indicating that minors are not permitted on any portion of the premises. If a minor attempts to gain access to the premises, they will be told to leave, and if they do not, law enforcement will be contacted.

Marijuana information cards are passed out to each customer encouraging users to keep all marijuana products out of reach of children. Required signs are posted at point of sale: "Keep out of reach of Children" "Poison control hotline;" "Don't Pass it On" (no using while pregnant or breast feeding); "Educate Before You Recreate."
