1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

- *We have an alarm system with multiple sensors, 8 cameras which is beyond requirements, 24 hours of backup video, etc.
- *All of our product is either kept in a locked safe, on shelves behind our display cases, or in a display case
- *Once the store closes we clear everyone out and lock the premises
- *We only allow 1 customer (may come in 2 customers at a time if together) per budtender
- *We use multiple safes in our store in order to ^{got} keep product and money stored together
- *Our alarm system has 2 wireless panic alarms.
- *Our showroom is separated from our lobby where all customers must check in and show their ID
- *We have engaged with our local Police precinct. This summer we dealt with homeless loitering and other problems in our parking lot and we worked with the police in order to help fix the problem.
- *We keep our store lights on at all times in order to make it easy for our camera system to get clear pictures/video.
- * We always have at least 3 employees working at all times.
