2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

We have a sign posted in our shop notifying our patrons that cannabis use is not allowed in or around the premises. Further, our budtenders remind customers verbally that cannabis is only to be consumed out of public view at the time of purchase. We also have video surveillance around the entire building including the parking lot. If anyone notices suspicious activity or attempts to consume cannabis, they are ask to leave the premissis and not to consume cannabis in public.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

Urban Farmacy keeps a very clean and secure facility. We go the distance to ensure that our staff and customers are respectful to the neighborhood. In our four years of service to the North Tabor neighborhood we have never had a complaint. Our hours of operation: 10am-9:45pm are not hours that would cause a disruption to traffic, parking or noise. We patrol our parking lot for cleanliness and loitering. Overall our goal is to have a positive impact on the North Tabor neighborhood.
