1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

Admittance:

- There is an employee on duty at all times to check ID and greet people at the first ingress to the facility. Anyone not over the age of 21 will be asked to leave immediately unless they are over the age of 18 and in possession of a valid OMMMP Patient or Caregiver card OR they are a contractor on site to do scheduled work.
- All employees possess a valid Marijuana Worker Permit issued by the OLCC. One item learned and required to be practiced with this permit is how to identify and verify information on identification. One Draw Two makes easily available a reference card for acceptable identification for daily reference.
- "Now Serving individuals born ON or BEFORE this day in 1997" is posted in an easily visible place for all employees to quickly reference and serve as a general reminder for all.
- "No Minors" signs are posted throughout the property.

Education:

- It is against One Draw Two policy for ANY marijuana item to be sold without educating the consumer on intended use, audience (ie no minors), possible side effects, and/or instruction for safe and responsible use.
- It is against One Draw Two policy for ANY marijuana item to leave the premises with a consumer without distributing a Marijuana Messaging Card provided and required by the Oregon Liquor Control Commission (OLCC). The card contains information about marijuana use by and access to children.
- All employees are knowledgeable in safety, effects, and use of all products sold.
- Employees 'get to know' the consumer with inquiries as to intended use, experience, and desired effects; where-after, the employee can customize the information provide to the consumer regarding use, intended audience, possible side effects, and other instructions for safe, responsible, and legal use.
- All marijuana items leaving the premises with a consumer are in child resistant packaging. Consumers are encouraged to use the packaging at home to minimize accidental or unintended use.
- All marijuana items contain state required warning and use labels.
- State required educational posters are clearly posted for consumer and employee reference.

2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

- Visible signs on premises stating on-site consumption is prohibited.
- Visible signs on premises stating public consumption is prohibited.
- It is against One Draw Two policy for any employee to complete a sale to a consumer without reminding them that the marijuana items purchased must remain in it's original, sealed, child-resistant container while they are still on site (including the parking lot) and that public consumption is prohibited by Oregon State law.
- Regular premises checks are performed by all employees daily and activities are monitored by employees and managers.
- One Draw Two has regular contact with neighboring businesses and the Portland Police Department as to activity in the neighborhood. One Draw Two encourages surrounding businesses and neighbors to contact One Draw Two with any concerns.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

- Regular premises checks are performed by all employees daily and activities are monitored by employees and managers.
- Employees perform routine garbage pick up and maintenance of grounds and outside of facility on a daily basis.
- One Draw Two has regular contact with neighboring businesses and the Portland Police Department as to activity in the neighborhood. One Draw Two encourages surrounding businesses and neighbors to contact One Draw Two with any concerns.
- It is against One Draw Two policy for any employee to complete a sale to a consumer without reminding them that the marijuana items purchased must remain in it's original, sealed, child-resistant container while they are still on site (including the parking lot).
- One Draw Two encourages consumers to reuse packaging where applicable.
- One Draw Two encourages consumers to recycle packaging and education materials by providing drop off containers and facilitating regular pick up by local recyclers. We currently offer cartridge, paper, beverage container, and #5 plastic (pop tops) recycling or reuse programs.
- It is against One Draw Two policy to maintain a noisy, disorderly, or insanitary establishment. A quiet, calm, consistent, and organized atmosphere is strived for at all times as to be unobtrusive to any person who has contact with the facility.
- One Draw Two has a parking lot not shared with neighboring businesses. Plenty of street parking is available as well.
