**1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.**

Oregon Grown Gift Shop displays a sign on the entrance door stating that patrons must be 21 years of age or older. Our employees check photo ID of all patrons when they enter the lobby before granting them access to the retail area.

Customers' photo ID's are verified a second time in the retail room at point of sale.

To aid in training employees on how to identify a fake ID, employees training requirements incorporate the OLCC's training video located on the OLCC Youtube channel.

Oregon Grown Gift Shop also reserves the right to deny access to our retail area if the lobby employees have reason to believe that the person is underage, intoxicated, or presents themselves as unruly.

Oregon Grown Gift Shop has Oregon Health Authority signage posted at our point of sale, warning patrons of the risk of marijuana consumption by minors and pregnant women. We have a OHA publication "Children and marijuana don't mix available in our lobby for patrons to take with them.

Our packaging and labeling is required by the OLCC's guidelines being childproof, with warnings displayed on all consumer packaging.

Oregon Grown Gift Shop employees offer open dialouge with patients on associated risks of marijuana. Employees promote the OHS website concerning health, safety and marijuana use to patrons for clarification on any questions they may have.

**2. Please describe how your business will prevent cannabis products from being consumed around or near your business.**

Oregon Grown Gift Shop employees engage each new customer during their initial visit to our dispensary to ensure they have the understandings of marijuana relations. Possession limits, where you can use, and driving under the influence is covered and customers are instructed to visit <http://whatslegaloregon.com> for a complete list of recreational marijuana rules. Employees also communicate that marijuana products are to remain out of public view and that no marijuana consumption is to take place on our property or any public space.

all marijuana products are concealed in a nondescript bag or customers personal bag, prior to leaving the premises. Employees also monitor the building and the parking lot through video surveillance and parking lot checks to ensure property is safe for customers and employees. By enforcing our no loitering policy, we provide additional safeguards.

**3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.**

Oregon Grown Gift Shop enforces a strict no loitering policy in our parking lot to reduce congestion, noise levels, and to promote overall safety for our customers and employees. Our property has a separate traffic ingress and egress which helps reduce traffic congestion.

At opening and closing employees patrol our property and remove garbage found. The property owner periodically contracts for the lot to be professionally cleaned, and our owner frequently contracts for sweeping property curbs and sidewalks.

We strive to be a good neighbor to surrounding businesses and community members by ensuring our property stays clean and safe.

**4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.**

The owner will handle all complaints received, and if possible, will address the issue within the business daily. In the owners absence, a manager will work in conjunction with the owner to resolve the complaint within the business day.

If a suitable resolution cannot be obtained by the end of the business day, a time line, including proposed resolution details will be provided to the business or resident bringing forth the complaint. Oregon Grown Gift Shop has been a member of this community since the inception of the OMMP Program.

We value our reputation in this community, and we will continue to be an exempry example of the retail marijuana program.
