1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

-Surveillance and security systems in place With signs stating so. f

-All product kept behind counters under constant supervision during operation hours. After hours all product is stored in safes that comply with OMMP guidelines.

- All patients are helped one on one with a Bud-tender, No patients are allowed into the sales area without an available Bud-tender.

-Out door entry way and sales floor are well lit at all times.

-All product intake is done in the back of the facility out of sight from any customers.

INTERNAL USE ONLY

Application No. MRL 155
OHA Reg. No. / OLCC Lic. No. MMD 63392

2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.

- Signs are clearly posted per OMMP regulations at entryway that state persons under 21 or without an OMMP card are not permitted on premises.
- Staff checks every patients identification at the entryway prior to the patient gaining access to the sales area. ID's are checked for date of birth, and identification expiration to ensure the patient is over 21 and the identification presented is valid. No expired ID is accepted.

For more details on access control refer to section 5.4 of the attached policies and procedures manual.

3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.

-As per OMMP guidelines we have sign-age posted about the dangers of cannabis for children and pregnant women. In addition to posted sign-age every customer is given a small educational flier about the dangers of cannabis to minors.

-All products that leave the store are in OMMP compliant childproof packaging.

4. Please describe your plan to ensure that marijuana products sold by your business are not consumed irresponsibly in public or in the immediate vicinity of the license premises.

-At the point of sale and exit of the building we have signs posted stating that consumption on site is prohibited. Employees are also trained to verbally remind patrons that no cannabis or cannabis infused products may be consumed on site.

-At point of sale and exit signs are posted informing patrons that public consumption of cannabis or cannabis infused products is prohibited by law. Employees are trained to verbally inform patrons that cannabis may only be consumed in a private area out of sight from the general public.

5. Please describe your plan to avoid potential negative impacts to neighborhood livability such as noise, parking or garbage from your patrons.

-We offer ample on street parking around our property.

-Bike racks are installed on premises to promote alternative transportations and ease of access to our facility.

- Our hours of operation are within city ordinance guide lines, No out door audio systems are in place, so noise is is at a minimum from our establishment.

-the facility has several garbage cans through out for patrons to use. Regular trash service collects refuse each week.

-Daily, employees walk the perimeter and grounds to pick up debris or refuse, and properly dispose of it.
