1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

Per OHA regulations, all medicated product is stored appropriately during all operating hours. Internal audits are also regularly performed to ensure compliance with inventory requirements due to theft, burglary, and shop lifting. All incidents are reported to the regulating body. An approved camera and security system captures all activity on premises and assists with deterrence of these activities.

2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.

Per OHA regulations, approved signage is clearly posted at the dispensary entrance, stating the age requirements for admittance. All government issued photo ID are verified in the waiting area by a trained staff member before being admitted. These policies and procedures are documented and available to all staff members.

3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.

Per OHA regulations, educational posters are clearly posted at each point of sale terminal. Furthermore, each recreational consumer is provided with an educational information card at the time of purchase.

4. Please describe your plan to ensure that marijuana products sold by your business are not consumed irresponsibly in public or in the immediate vicinity of the license premises.

Per OHA regulations, posters are posted at each point of sale warning patrons that consuming marijuana products in public is prohibited by law. Immediate vicinity of the premises will be continually monitored by staff via outside cameras for any sign of marijuana products being consumed in public and appropriate measures will be taken immediately if such activity is detected.

5. Please describe your plan to avoid potential negative impacts to neighborhood livability such as noise, parking or garbage from your patrons.

A clear chain of command is always present at the shop and each issue is addressed as it arises. Our shop strives to integrate into the community and responds to all issues seriously. A noise complaint was processed grand opening weekend and dutifully resolved the same day.
