1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

- Locking door between lobby & dispensary area to limit access
- All product (marijuana) is held in storage containers kept from customer access; in locked coolers on display; or in an employee-access-only display case
- Product samples are controlled by the employees, strictly, and limited to 1/8 oz samples in a sealed, illuminated, magnified container
- Panic buttons are present & available for employee use in the event of a robbery
- In the event of something happening multiple HD surveillance cameras will capture multiple angles of the suspects & event
