2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

The front door is painted with the message that no consumption is allowed on premises. Every hour a manager and staff member sweep the premises for any illegal consumption of cannabis products. All cameras are checked on a thirty minute basis to do a quick search of the immediate areas surrounding the dispensary. All complaints of consumption around or near the business are taken seriously and acted on accordingly.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

The store is equipped with air scrubbers to keep the smell of the product to an absolute minimum. In addition, all inventory is stored in Rubbermaid totes to further reduce the smell. We follow all local and state rules regarding the time of operation. If we anticipate events that would make noise, we would obtain the appropriate noise permit. The entryway and stairway is cleaned and maintained on a daily basis by. Garbage and recycling bins are located throughout the dispensaries and outside as well.
