**1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.**

Fully installed, operational and monitored security system including:

- Panic buttons installed at
- Motion detectors
- Glass break alarms
- Security cameras with battery back-up system
- Dispensary door equipped with striker plate to allow for monitored entrance of patrons

Additionally, the number of patrons allowed into the medicine room are limited depending on the number of staff members on shift. Typical limits are set at 1 patron per staff member, plus 1-2 additional parties, allowing staff members to maintain a higher level of awareness of the surroundings.

Most regulated items are kept out of reach of patrons, by placing them inside cabinets and/or on the back counter, out of reach, and shown by a staff member tending to the patron.

**2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.**

Identification is checked and entered into the POS system at the time of entry into the facility and again at check out. Limited access into the dispensary's medicine room is controlled by the same individual who verifies the ID at check in.

The POS system is equipped with a red flag option which notifies the receptionist if the patron is under the legal age limit of 21.

Signage both outside of the establishment and in the lobby, as required, will be used as appropriate to notify patrons of age restrictions.

**3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.**

Signage and pamphlets will be presented as required by compliance rules.

Products will be packaged in child-resistant containers as required by state law

**4. Please describe your plan to ensure that marijuana products sold by your business are not consumed irresponsibly in public or in the immediate vicinity of the license premises.**

No loitering policies have been well established, per our lease requirements, and the area around the facility is constantly monitored by cameras and employee surveillance.

A zero tolerance policy will be used for patrons who violate rules of the establishment

**5. Please describe your plan to avoid potential negative impacts to neighborhood livability such as noise, parking or garbage from your patrons.**

All facilities have parking lots which are monitored by cameras and inspected by staff regularly throughout the day/evening

Garbage and litter are removed as necessary from the areas surrounding the establishment

Well lit parking lots help to eliminate any loitering and prevent/discourage criminal activity

A zero tolerance policy will be used for patrons who violate the rules
