1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

The Business will use multiple cameras inside of the building as well as outside the building to monitor everything at all times. Also Security system will be used along with a security monitoring contract. A Security guard will be hired to work during all business hours, at closing all the product will be locked in multiple safes that will be mounted to the ground. The building is a old bank so we plan on having those safes in side the bank vault.

2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.

We Plan on having a check in room where an employee will check to make sure the potential customer has a proper valid state issued ID or Drivers License. Only then will that customer will be allowed to enter the sales section of the business.

3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.

We will place signs near the entrance and exit doors along with documentation in the check in area that shows the risk of underage consumption.

4. Please describe your plan to ensure that marijuana products sold by your business are not consumed irresponsibly in public or in the immediate vicinity of the license premises.

We will have signs near entrance and exit doors as well as in parking lot that say, No consumption on or near premises. As well as have the security guard doing routine checks.

5. Please describe your plan to avoid potential negative impacts to neighborhood livability such as noise, parking or garbage from your patrons.

The location we have purchased has a very large parking lot that can accommodate all of our potential customers. We will have multiple trash cans, no littering signs and excess noise in side and out of buildings as well as an employee to walk the parking lot after each business day to make sure there is no trash left behind.
