1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

A. A licensed security company will be used to install, certify, and maintain all systems to current industry standards.

B. Clearly displayed signage inside and outside the premises will advise of video surveillance to discourage shoplifting, robberies, and burglaries.

C. Premises will be under continuous video monitoring both internally and externally and backup and stored electronically. Each room will have at least one camera except for the lavatory. Video surveillance provides a record of day to day activities which will deter any internal theft.

D. The external perimeter will be secured with security doors with hardened locks, windows will be barred and covered as appropriate.

E. All Marijuana products for sale will be stored in such a way that they are only accessible to authorized employees.

F. Theft will be discouraged by employing well vetted personnel with extensive training in security measures and accountability of product.

G. All hired personnel will be trained in activating alarm system if necessary and use of de-escalation tactics if ever appropriate, and when to call for help.
