**1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.**

To prevent theft at the licensed premises, including robberies, burglaries, and shoplifting, these particular steps have been taken:

1. Signs for security monitoring have been posted around the perimeter of the facility.
2. Monitoring cameras have been placed around the perimeter of the facility.
3. Security Officers physically monitor the facility.
4. Security company monitors the facility remotely 24/7.

*Emergency Situations Protocol:*

1. When faced with a life threatening situation do exactly what is demanded of you within reason as to preserve your life and the life of others around you.

3. When ordered to deactivate the alarm, enter in the "silent alarm code" when and if it is safe to do so. This will alert the authorities of an emergency situation.
4. When it is safe to do so, dial 9-1-1 immediately and inform the authorities of the situation.

\*Try and recall pertinent information such as height, build, complexion, tone, and distinguishing marks, to help aid in the police's investigation.

**2. Please describe your plan to control access to your establishment and ensure that no one under the age of 21 is admitted.**

To ensure that no one under the age of 21 is admitted, the procedure is as follows:

1. The outside facing window next to the entrance of the facility has a sign stating:

*Medical Marijuana Patients and Persons 21 and Older Permitted. NO PERSON UNDER 21 PERMITTED ON THE PREMISES WITHOUT AN OMMP CARD*

2. When the doorbell to the facility is rung, a sales associate will meet the individual at the door to check their State or Federal ID to determine if they are 21 and over or if they have an OMMP card.

a) If so, the individual will wait in the intake room while their ID is scanned into the ID scanner for a second verification.

b) If the individual is under 21 years old or does not have an OMMP card, they will be denied entry into the facility.

3. Before purchasing any cannabis related products, ID's or OMMP cards will be scanned one more time to complete the purchase.

**3. In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, please describe your plan to educate patrons on the risks of marijuana use by minors.**

In order to reduce the possibility of underage persons, as established by law, from gaining access to marijuana products sold at the licensed premises, we plan on educating patrons on the risks of marijuana use by minors through:

1. Employees explaining to patrons the need to keep THC products in child proof containers at all times to reduce the possibility of underage usage. All THC products that leave the facility will be transferred in child-safe, compliant packaging to prevent underage access.
2. Monthly training session for employees keeping them up to date on latest developments pertaining to marijuana rules, safety, and changes posted in OLCC bulletins.
