FILE COPY

Application for the above has been reviewed by the Noise Control Officer, City of Portland, and is hereby:

Approved, with the following conditions:

- Amplification will not be audible further than 2 blocks from starting and finishing line on SW Naito Parkway.
- The Sound System will be utilized for announcements and organizing the racers; it will not be used for live musical entertainment.
- The sound source will be directed away from the closest residential receivers.
- Amplification shall start no earlier than 7:00 a.m.
- The use of amplification for the event will cease at 12:30 p.m.
- All neighbors within a block of the sound source to be notified of the event and given a contact number to call during the event.
- Sound levels will be reduced upon receipt of any complaints.
- Applicant will notify the Noise Office of any complaints received at (503) 823-7350.
- Sound levels from the event will not exceed 65 dBA (Decibels), with occasional peaks to 70 dBA, at any point along the west side of Naito Parkway.

To the Applicant:

- Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
- Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of Citation(s) for violations of City Code.
- If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.**
