Noise Variance / Permit

FILE COPY

Application #: 4057635

Applicant: Oregon Department of Transportation *Richard Garrison*
123 NW Flanders St
Portland, OR 97209

Organization:

Activity: CONSTRUCTION - STRIPING REMOVAL, STRIPING INLAY, CONCRETE SEPARATOR

Event Location: OR 99 W (Barber Blvd) between SW Naito Parkway southbound to Capitol Hwy.

Date(s): 16 nights between Aug 1, 2017 through Sep 30, 2017

Hours: 6:00 PM - 7:00 AM

Application for the above has been reviewed by the Noise Control Officer, City of Portland, and is hereby:

Approved, with the following conditions:

- A. Equipment will be properly maintained and operated with exhaust mufflers and will use sound control devices no less effective than those provided on the original equipment. Equipment with un-muffled exhausts is prohibited.
- B. Equipment will follow the equipment noise standards provided by the Environmental Protection Agency
- C. Smart alarms will be used on all equipment whenever reasonable. Smart alarms are available that are manually-adjustable, ambient sensitive, or broadband alarms, or provide an observer who directs the vehicle's rearward motion.
- D. The contractor will have portable noise monitoring equipment available on site during nighttime work and have staff knowledgeable on maintaining and using the equipment.
- E. The contractor will provide a 24-hour hotline available to nearby residents to record and respond to nighttime construction noise complaints. A site representative will respond to all complaints within 24 hours of the complaint.

- F. In the event of nighttime construction noise complaints, the contractor will be required to construct or erect temporary noise barriers or shields to limit construction noise from stationary or slow-moving noise sources.
- G. All haul trucks will meet or exceed the standards outlined in Chapter 34, Section 35 of the Oregon Administrative Rules, Oregon Department of Environmental Quality, April 1983
- H. The project manager will insure compliance with any and all mitigation measures.

To the Applicant:

- 1. Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
- 2. Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of citation(s) for violations of City Code.
- 3. **If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.**

Date:

August 2, 2007

Paul van Orden, Noise Control Officer
