## Noise Variance / Permit

FILE COPY

**Application #:** 4058494

**Applicant:** Oregon Department of Transportation \*Richard Garrison\*  
123 NW Flanders St  
Portland, OR 97209

**Organization:**

**Activity:** CONSTRUCTION - DECK SEAL REPLACEMENT

**Event Location:** ROW - 11 BRIDGES AND RAMPS ON I-5 FROM SW 19TH  
NORTHBOUND TO VICTORY BLVD

**Date(s):** 27 nights between Aug 1, 2017 through Sep 30, 2017

**Hours:** 6:00 pm - 7:00 am

Application for the above has been reviewed by the Noise Control Officer, City of Portland, and is hereby:

### Approved, with the following conditions:

Equipment will be properly maintained and operated with exhaust mufflers and will use sound control devices no less effective than those provided on the original equipment. Equipment with un-muffled exhausts is prohibited.

Equipment will follow the equipment noise standards provided by the Environmental Protection Agency

The contractor will have portable noise monitoring equipment available on site during nighttime work and have staff knowledgeable on maintaining and using the equipment.

The contractor will provide a 24-hour hotline available to nearby residents to record and respond to nighttime construction noise complaints. A site representative will respond to all complaints within 24 hours of the complaint.

In the event of nighttime construction noise complaints, the contractor will be required to construct or erect temporary noise barriers or shields to limit construction noise from stationary or slow-moving noise sources.

All haul trucks will meet or exceed the standards outlined in Chapter 34, Section 35 of the Oregon Administrative Rules, Oregon Department of Environmental Quality, April 1983

The project manager will insure compliance with any and all noise variance conditions including the management and application of any and all mitigation measures. mitigation measures.

**To the Applicant:**

1. Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
2. Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of citation(s) for violations of City Code.
3. **If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.**

Date:

August 1, 2017

Paul van Orden, Noise Control Officer
