2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

In order to ensure that our products are not consumed irresponsibly or in the immediate vicinity of the licensed premises, We will not have any outside seating or sheltered outdoor areas to consume the product.

We will have security personnel that will monitor the premises and the exterior to prevent public consumption on premises.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

We are very conscious of the need to be good neighbors, when making decisions we take into consideration how those decisions could impact our neighborhood livability.

The average time a customer will stay should be less than 10 minutes.

Any garbage left by our patrons will be picked up by our outside security on an hourly basis.

Ample parking is available on premises and will be monitored by security.

4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.

We have an alarm system that is monitored 24 hours a day. When the alarm system is triggered a call is placed to the local police by the alarm company. Our security system includes motion detection and video play back. We will also have a security guard posted at the front door.

All products are kept in cases that can only be accessed by someone behind the counter. All other products, flower, pre-rolls will be kept on shelves behind the counter .
All bulk inventory items will be kept in a locked safe/ video room.

The safe will always be locked and the combination will only be known to the owner/management. All infused edibles will be kept in a locked cooler during business hours. During non-business hours all items will be moved and keep in a secure location in the safe room.

As for those who live in the neighborhood, we will welcome their feedback and questions. We will attend any local meetings in order to allow an open forum for their questions and or concerns. We will have security monitor the surveillance system throughout the day to ensure no one is loitering and or causing problems. They will also walk the premises to ensure cleanliness and safety.

We are always open to feedback from our neighbors and local businesses. We will encourage our neighbors to notify us if any of our patrons are causing problems.
