**1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.**

To prevent shoplifting:

- \* All products are kept behind the counter or in locking display.
- \* Americanna Rx has state mandated restricted access areas, this means only employees or affiliates are permitted in these areas. ( Restricted access areas are identified with signage.)

To prevent robberies:

- \* Americanna Rx has a magnetic door which is operated by switch for entering/exiting the building.
- \* Americanna Rx has several panic buttons which alert the police, they are strategically placed throughout the building.

To prevent burglaries:

- \* Americanna Rx has 24 hour around the clock surveillance/monitoring and security alarm which alerts police.
- \* Americanna Rx has several high quality cameras posted throughout the premises, these cameras provide clear still shots from several angles and can be singled out.

**2. Please describe how your business will prevent cannabis products from being consumed around or near your business.**

Upon arrival to the Americanna Rx waiting room we have posted an agreement, by entering our facility you agree to our terms; this agreement forbids resale of our products. This agreement also forbids consumption on or around our premises.

If we were to catch someone doing either of these things we would contact the proper authorities and ban them from our premises.

**3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.**

Americanna Rx has its own driveway to accommodate our patrons. Americanna Rx voluntarily picks up garbage from all around our block regularly to ensure that we are doing our part for livability in the neighborhood.
