## Noise Variance / Permit

Application #: 4121598

Applicant: OREGON DEPARTMENT OF TRANSPORTATION \*DAVE ARENA\*  
123 NW FLANDERS ST  
PORTLAND OR 97209

Organization:

Activity: CONSTRUCTION - GEO-TECHNICAL BORING TO TEST SOIL AND PAVEMENT FOR FUTURE PROJECT. NIGHT WORK REQUIRED DUE TO SAFETY CONCERNS FOR CONSTRUCTION WORKERS

Event Location: ROW- SEVEN LOCATIONS ON I-205 WITHIN ODOT ROW BETWEEN MILEPOSTS 17.1 AND 25.6

Date(s): Dec 3, 2017 through Dec 14, 2017

Hours: 7:00 pm - 7:00 am

Application for the above has been reviewed by the Noise Control Officer, City of Portland, and is hereby:

### Approved, with the following conditions:

- A. The variance shall run from December 3, 2017 through December 14, 2017. The hours of the variances construction shall be from 7:00 p.m. to 7:00 a.m.
- B. All equipment will follow the equipment noise standards provided by the US Environmental Protection Agency.
- C. The contractor will have portable noise monitoring equipment available on site during nighttime work and have staff knowledgeable on maintaining and using the equipment
- D. The contractor will provide a 24-hour hotline available to nearby residents to record and respond to nighttime construction noise complaints. A site representative will respond to all complaints within 24-hours of the complaint.
- E. In the event of nighttime construction noise complaints, the contractor will be required to construct or erect temporary noise barriers or shields to limit construction noise from stationary or slow-moving noise sources.
- F. All haul trucks will meet or exceed the standards outlined in Chapter 34, Section 35 of the Oregon Administrative Rules, Oregon Department of Environmental Quality, April 1983.
- G. The project manager will insure compliance with any and all noise variance conditions including management and application of any and all mitigation measures.
- H. The Applicant will send complaint reports along with a complaint log and details of how the problem was resolved to the City of Portland Noise Control Officer. These logs can be emailed to the Noise Office at [noise@portlandoregon.gov](mailto:noise@portlandoregon.gov)

- I. Notice shall be given to the neighborhood residents. The notice will include a contact person and phone number for construction noise issues. Notices will be delivered to all buildings within a 2 block radius of the construction work. The notice shall include the nature of the work and the anticipated noise sources that neighbors will hear during the period of the variances work activity.
- J. The Applicant shall be prepared to develop a noise mitigation plan with the Noise Control Office should complaints arise.
- K. The noise variance will be reviewed upon receipt of complaints. If complaints are filed, the Noise Control Officer may modify the variance, as needed, to resolve community noise disturbances.
- L. The Applicant will notify the Noise Control Officer by the next morning if the variance was needed to work outside the normally permitted construction hours. The Applicant will keep a running tally of variances days used. This log shall be made available to the Noise Control Office upon request.

**To the Applicant:**

- 1. Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
- 2. Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of citation(s) for violations of City Code.
- 3. **If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.**

Date:

 20, 2017

Paul van Orden, Noise Control Officer
