Hours: 6:00 pm - 7:00 am – SEE ATTACHED MAP FOR DETAILS

FILE COPY

Application for the above has been reviewed by the Noise Control Officer, City of Portland, and is hereby:

Approved, with the following conditions:

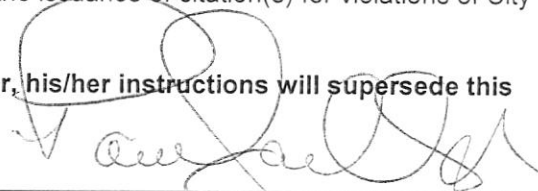

- A. Permittee to notify all neighbors within a two block radius of the locations prior to event start. Notification can be in the form of personal contact or a flyer. If appropriate, notification should clearly state the filming will include the sound effect of a gun shooting blanks. Before the start of the variance, supply the Noise Control Office with a copy of the notification and a list or map depicting the properties notified. This can be hand delivered to our office at 1221 SW 4th Avenue, Room 110, or email to noise@portlandoregon.gov
- B. The generator(s) used will be as far as possible away from sensitive residential use.
- C. The generator will be isolated from any residential neighbors with the safe use of a 3/4 inch plywood enclosure that does not impact the need of the unit to be properly ventilated.
- D. Breakdown noise will be limited after filming is done. Do not drop light towers, pipes or other equipment so as to limit the noise from breakdown.
- E. Applicant will notify the Noise Control Office at (503) 823-7350 of any complaints that are received and the efforts that were taken to resolve the community concerns.
- F. The use of "smart alarm" back up beepers, instead of a standard reversal alarm, is required between the hours of 6 pm and 10 pm and a guide person or "spotter" for backing equipment between 10 pm and 7 am the next day.
- G. Permit is revocable by either the Portland Police Bureau or the Noise Office. A copy is to be supplied to the local Precinct for the Night Sergeants.

To the Applicant:

1. Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
2. Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of citation(s) for violations of City Code.
3. **If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.**

Date:

February 22, 2018

Paul van Orden, Noise Control Officer
