Application for the above has been reviewed by the Noise Control Officer, City of Portland, and is hereby:

Approved, with the following conditions:

- A. Speakers are to face away from the closest residential locations.

Notification will include a phone number that neighbors can call to reach the Applicant to discuss questions before the event and to report concerns of excessive noise during the event. Notice should not simply include the residents who live right on that block, but is intended to reach other neighbors who are impacted by the request for a noise variance.

To the Applicant:

1. Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
2. Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of citation(s) for violations of City Code.
3. **If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.**
