Subject: FW: [Nighttime garbage noise in NW Portland]

I received these messages at home because I am a member of the NWDA Transportation Committee mailing list; Chris Smith chairs that committee. Gail Shibley (whose email Chris is answering here) is a former state legislator. Anne

Gail,

I believe Page Stockwell is the neighborhood point person on the garbage truck noise issue (someone correct me if I'm wrong).

We've been back and forth with the City on this any number of times...

It's actually in the noise control office.

Chris
