

PORTLAND LOO QUOTE REQUEST

PRICING: The price of a Portland Loo is \$90,000 (U.S.). The price is discounted for single orders of three or more units.

PLUMBING: The Portland Loo requires plumbing to a sewer system and installation costs will vary by location and jurisdiction. Installation costs and materials, and any related fees or permits are the responsibility of the purchaser. Price as listed is F.O.B from the manufacturer in Portland, Oregon and shipping arrangements and costs are the responsibility of the purchaser.

STANDARD FEATURES: Standard features include a commercial grade stainless steel toilet, energy efficient fixtures, skylight, solar power system, graffiti-resistant paint finish, plumbing heat trace system for freeze protection, and options for placement of the door hinge and the outside handwash station. Other custom options are available for additional charge.

SELECT CUSTOM OPTIONS

The Portland Loo can be configured to meet individual site requirements. We will work with you to create a price package for creating additional features for the Portland Loo.

Please select from the custom options below:
