

Dear 3's Families,

December is upon us! We are just a little over two months into the school year, but I feel like time is already flying by! As you know, the class has been learning about nocturnal animals this month. We spent some time talking about owls, bears, and raccoons...bears, in particular, were a big hit! It is quite amazing hearing the animal facts that they remember. I only hope they are able to share some of that information with you!

Now that the students have really settled into a routine, I would love to share how our typical day looks.

Our Daily Rhythm

Open Exploration
Morning Greeting/Circle Game
Yoga
Circle Time- focus lesson, calendar
Song & Dance
Snack
Outside Play
Story Time
Centers/Craft
Song & Dance
Goodbye

Continuing into December, we will focus on "Life in the Arctic" as well as ways to preserve the environment. Though a short month, it will be jam packed with many ideas, concepts, and information! Support learning at home by discussing the differences in environment and culture, practice recycling at home, and conserve water.

Thanks for your continued support! I look forward to future fun and seeing you all at our upcoming Sprout events!

Sincerely,
Teacher Vicky

Yoga Time!

“Downward dog”

“Table”

We had a spooktacular Halloween!

A little Halloween yoga stretch

“Handshake, Hug, or Highfive?” They love hugs!

The girls waiting patiently to hammer....then finally getting their turns!

Lily reading.....

Brinnin cutting....

Just like Mr. Bear!

“My volcano is erupting!” --Georgia

“Higgelty, piggelty, POP!” ---The dog ate the mop!
Cats in a hurry---Pigs in a flurry---Higgelty, piggelty, POP!

“The Shoe Game” A class favorite!
