

Dear 4's Families,

Welcome to December! We are just a little over two months into the school year, but I feel like time is already flying by us! The class has been doing amazing work on each letter of the week thus far. They are constantly impressing me by recognizing letters and sounds around the classroom, in books, and in the spoken word. We have also started to read some sight words. "Is" and "the" were first on our list. This group will be ready for kindergarten in no time!

Now that the students have really settled into a routine, I would love to share how our typical day looks.

Goodbye

Moving into December, the class will continue to focus on a letter of the week...starting with "Hh". We will also add sight words "A" and "I" to our reading list! Other classroom topics will focus on family and community. You can support learning at home by playing matching games with our sight words and upper and lower case letters. Sort pictures/objects according to beginning sounds. Discuss people and places in our community. Ask lots of questions!

Sincerely,
Teacher Vicky
