The St. Johns Community Center Educational Preschool Program (Bridge Buddies) runs September through June. When you register your child, we plan on having your child with us for the entire school year. We typically follow the standard Portland Public School year calendar, observing all holidays, breaks and teacher planning days.

Fees for Educational Preschool are based on number of days per week and number of hours per day. Monthly tuition amounts have been calculated by taking the total number of program days, determining the annual fee and then dividing the annual fee into 9 equal payments (September – May, no payment for June). There is an annual non-refundable registration fee of \$35 for each child. This fee is due at the time of registration.

**All students must meet the minimum age requirement on or before September 1, 2017.  
Unfortunately, we do not make exceptions to this policy.**
