## Welcome to Summer at Beaumont SUN CS

To ensure your child has a fun and engaging summer experience, please take a moment to read the following information:

- If you are registering your child for both morning and afternoon activities, there will be a Summer Recess between 12pm-1pm to allow participants to eat lunch. Quiet games will be provided in the cafeteria during this time. Only participants signed up for morning and afternoon activities will stay during this time. Please sign up for Summer Recess on the first day your child participates in activities.
- Perishable meals/snacks must be sent with your child in an insulated container. We do not have refrigeration & want to ensure meals remain healthy.
- Please be sure to send your child dressed in clothing and footwear appropriate for the activity they will be attending.
- Programs end at 4pm each day. Please be prompt picking up your child. Due to the need to have everyone picked up by the time the building closes, continued late pick-ups will result in your child being unable to participate in afternoon activities.
