

Portland Community Gardens – Garden Policies

1. You are welcome to garden all year round. During the main growing season (April – October) show you are using your plot by:
 - Preparing the soil for planting
 - Planting and growing crops
 - Harvesting ripe produce
 - Removing weeds, especially those in flower or setting seed
 - Collecting seed you want to save before it drops on the soil
2. When you are not actively gardening, continue to care for your garden plot by:
 - Removing weeds, especially those in flower or setting seed
 - Removing dead and dying plants, especially if they are diseased or covered with pests
 - Neatly storing seasonal structures like tomato cages, stakes, trellis materials, and wood when not in use
3. You are responsible for maintaining the paths and fence lines that touch your plot.
 - Keep paths bordering your plot 2.5 to 3 feet wide and level so others can safely pass
 - Remove weeds from the paths and directly outside the fence, if your plot touches a fence
 - Store things inside your plot
 - Keep plants within the boundaries of your plot
4. Portland Parks & Recreation does not provide garbage or plant waste pick up. You are responsible for managing the plant material and trash from your plot.
 - You may compost plant material in your plot, bury it, or dispose of it in home yard waste bins.
 - Do not dump material anywhere inside or outside of the garden.
5. Prevent rodents and stinging insects from building homes in your garden.
 - Remove piles of debris and regularly turn your compost pile
 - Remove food sources by harvesting produce when ripe, and leaving food scraps from your kitchen at home
 - Dump water that has been standing for more than 3 days to keep mosquitos from laying eggs
6. Organic gardening is required.
 - Use only organic fertilizers, weed killers, or bug killers
 - If you are unsure whether a product you want to use is allowed, search for it on the Organic Materials Review Institute website at www.omri.org, or call the Master Gardener Hotline at 503-655-8631.
7. Contribute and log a minimum of 6 hours per year in service to your community garden. Three hours must be completed by June 30, and a total of 6 hours must be completed by October 31.
 - Contact your garden manager for a list of tasks that will count towards your service hour commitment.
 - If you are unable to contribute service hours due to disability or personal circumstance, contact staff to request an exception.
 - Gardeners who do not complete and log service hours and do not contact staff to request an exception for 2 years in a row, will not be allowed to renew their reservation and their plot will be reassigned.

Gardener Accountability and Policy Enforcement

Gardeners are responsible for following the garden policies. Staff and volunteer garden managers will regularly monitor plots throughout the year. If a gardener is not following the garden policies, staff will send them a reminder.

- If a garden plot looks abandoned during the main garden season (April – October), garden staff will check in with the plot holder. The plot holder has 2 weeks to respond and start gardening. If there is no action after 2 weeks, the plot will be reassigned.
- When a gardener receives their third reminder during the garden season, they have the option to enter a trial period where they work with staff to create a garden plan to help them keep their plot.
- Gardeners who receive a fourth reminder in a year will have their reservation cancelled and the plot will be reassigned.
- Gardeners may request an appeal of a garden reminder or plot cancellation by submitting that request to the Community Gardens Program Coordinator. The appeal request will be reviewed by the Community Gardens Program Coordinator, the Garden Manager of the site where the appealing person gardens, and one other Garden Manager who is a member of the same racial/ethnic group and/or speaks the same language as the gardener (if possible).
