

**Forest Park Entrance & Nature Center
Project Advisory Committee Meeting #2**

October 26, 2016

6:00pm – 8:00pm

Portland Building

2nd Floor, Room B

1120 SW 5th Ave., Portland, OR 97204

Meeting Outcomes

- Build relationship between Project Advisory Committee (PAC), Design team, and PP&R staff
- Gain PAC feedback and guidance on vision for the project prior to design

Agenda

I. Eat & Socialize	SG	[5:30-6:00pm]
-------------------------------	-----------	----------------------

II. Welcome & Acknowledgement	SG	[6:00-6:10pm]
--	-----------	----------------------

- Committee paired up for a team building activity where each pair asked each other the questions below:
 - i. Name
 - ii. Name your organization/affiliation/association you represent
 - iii. What perspective do you bring to this process
- Stefanus gave the group 5 minutes to talk to their partners and to listen to each other’s answers.
- Later, the pairs came back to the committee and introduce each other’s answers to the whole committee as a group activity.

III. Agenda Review & Meeting Outcomes	SG	[6:10-6:15pm]
--	-----------	----------------------

- Meeting Outcomes

- We discussed the outcomes for tonight's meetings. Stefanus mentioned that the format for today will help shape the committee's understanding of this project and the vision of the project.
- Community Agreement
 - Stefanus reviewed the community agreement that the committee created from meeting #1.

IV. Goal and Values Framework **Steve** **[6:15-6:30pm]**

- Steve reviewed the findings from the Vision and Guideline Principles homework.
- Steve explained to the group the programming work to-date
- Steve shared the investigation of stories and the activities analysis.

V. User Experience **Tom** **[6:30 pm-7:05]**

- Tom explained the User Experience model and its purpose. He shared the work he conducted with PP&R staff members on this activity and highlighted the results from that engagement with PP&R staff members.
- Tom conducted the User Experience model with the committee. The group focused the exercise on the Northwest Industrial workers' experience with Forest Park.

VI. Break **[7:05-7:10pm]**

VII. Vision Boards **Steve/PAC** **[7:10-7:30pm]**

- a. Steve provided content of the vision boards and provided activity instruction and direction for the committee.
- b. Steve provide green and red dots for the committee to stick on the vision board. Steve instructed committee to stick green dots on the images that resonated to them positively and conversely the red dots for images that resonated to them negatively.
- c. Committee had about 20 minutes to walk and view the images on the boards.

VIII. Discussion on Vision **Britta Herwig** **[7:30-7:50pm]**

- a. Committee provided feedback on images that resonated positively and negatively while Britta and Steve wrote down notes.

IX. Next Steps **SG** **[7:50-7:55pm]**

- a. Next meeting is either on (times are **4-6pm, 5-7pm, or 6-8pm** for each date:)
 - i. Monday, Dec. 12
 - ii. Tuesday, Dec. 13
 - iii. Wednesday, Dec. 14
- b. **Please respond to the online poll**
 - i. <https://xoyondo.com/dp/Ag1zw6zw3pRjbNp>

X. How did we do? **SG** **[7:55-8:00pm]**
