

Key Themes Identified from Survey:

Fees:

Increase fees – in areas that can afford it.
Raise/Use Taxes (from art and marijuana)

Important:

One of the most common was keeping the small community centers open (Lots of comments for Woodstock & Sellwood)
Children Programs are extremely important – (many specifically mentioned Preschool)
Offering programs to Underserved Populations extremely important
Maintain what we have
Sustainability – going green to save money
Fountains – part of city

Needs:

Many individuals said they needed more information when choosing cuts
Lots of people looking for ways to increase or utilize volunteers to help with shortfall

Reduce:

Fountains – mostly fountains that don't offer recreational play
Least impacting – finding the areas that would cause the least impact
Maintenance – defer only for a short period
Positions – mostly comments for Admin positions
Salaries – admin and other PPR employees

Safety:

Camping – concerns
Homeless – concerns

Survey:

Many individuals did not like being forced to select 10 things to be cut – most common complaint about the survey
