# EPCC Drop - In Group X Class Descriptions

## **CARDIO/DANCE**

**1,2,3 Step:** Enjoy a class that can be both easy for beginners & challenging for the tried & true exerciser. Step aerobics will boost your energy level, burn calories, reduce stress & get you in shape.

**Cardio Kickboxing:** A cardiovascular exercise that involves kicks, punches and core. Full-body toning is also incorporated in every class. This class can be modified to any fitness level. A fun way to keep you moving!

**Nia:** Integrates dance, martial arts & healing art forms into a unique program that leaves you feeling exhilarated & powerful. Increase cardiovascular health, strength, balance, agility & creative expression. All sizes & fitness levels welcome.

**Pound™:** Combine cardio, strength training, and Pilates with drumming to achieve a full-body workout. Using lightly weighted drumsticks, Ripsticks™, participants can be expected to burn calories in this cardio jam session!

**Step 'n' Sculpt:** A brilliant mix of step and floor cardio, cardio-strength, muscular endurance, core training, Pilates, and balance work.

**Strong by Zumba™:** Combines high intensity interval training (HIIT) with the science of Synced Music Motivation. In every class, music and moves sync in a way that pushes you past your perceived limits, to reach your fitness goals faster.

**ZUMBA™:** A high energy combination of Latin, Reggae & Salsa dance steps. Routines combine fast & slow rhythms to achieve a balance of cardio & muscle-toning benefits. Join our certified Zumba instructors; no previous dance experience necessary!

## **STRENGTH/CONDITIONING**

**Bootcamp:** Develop your strength, muscular definition & stamina through intense drills, calisthenics, cardio & strength all in one class!

**Burn 'n' Firm:** Get your sweat on in this intense fat-burning, muscle-firming workout! Combine cardio and weight training to become fit inside and out.

**Circuit City:** Box, pump, and jam your way through different workout stations in this awesome circuit training class. Circuit training has been shown to burn more calories & firm-up muscles fast.

**Exercise for Every 'Body':** A workout for all shapes & sizes, from beginners to our regulars who are looking for a challenge. Provides conditioning in areas of strength using various weights, bars & bands improving cardiovascular endurance & flexibility.

## **MIND/BODY**

**Hatha Yoga:** Focuses on linking gentle postures (asanas) while concentrating on stilling the mind. Bring strength & stamina to your entire body while relieving stress. Great for beginners & continuing students.

**Pilates:** Non-impact exercises work the deep, core abdominal muscles to help achieve efficient & graceful movement. Devote time to concentrated strength. Improve balance, posture, flexibility & body alignment.

**Slow Flow - Restorative Yoga:** For those seeking a quieter practice. Starting with the breath followed by a sequence of slow meditative postures and ending with restorative poses. Allowing your body to be completely supported using props, promoting ease and relaxation. This practice goes beyond the superficial muscles and right to your central nervous system.

**Vinyasa Yoga:** A dynamic style of yoga, great for experienced beginners ready to advance as well as seasoned practitioners. With an energetic dance-like flow, this athletic alignment-oriented class develops strength, flexibility, balance, with opportunities for modifications and inversions while cultivating awareness and mindfulness.

**Yoga Basics:** Perfect for beginners and intermediate participants. Combines Vinyasa (a moving flow of postures w/breath) and Hatha (gentle postures w/breath that strengthen & stretch the entire body). Great easy to follow practice!

## **SLOWER PACED**

**\*Arthritis FX (Foundation Exercise) (age 60+):** Learn the role movement plays in managing arthritis. Easy paced class covers range of motion, relaxation methods & special techniques. Take measures now to relieve symptoms & maintain flexibility. Instructor certified through the Arthritis Foundation.

**\*Low Impact Cardio:** Chair & standing exercises designed to improve physical & mental health. Workout with hand weights & dynabands. Improve coordination, cardiovascular endurance, strength, flexibility & balance!

**\*Tai Chi for Seniors:** Incorporate slow, gentle movements that increase flexibility, balancing, & lung capacity. Promote stress relief, body awareness, suppleness in your spine & increased stamina.

**\*Yoga In Chairs:** Gently works muscles & joints to enhance strength, range of motion, balance & circulation. Reaches beyond typical exercises as it encourages quiet reflection, proper breathing & better posture.

**\*ZUMBA Gold™:** For the largest growing segment of the population: baby boomers! It takes the Zumba formula & modifies the moves & pacing to suit the needs of the active older participant, as well as those just starting their journey to a fit & healthy lifestyle.

## **FAMILY FITNESS**

**Family Fitness Series:** These classes will feature three different fitness classes: Zumba™, Nia, & Hatha Yoga. All with different instructors & all with very unique, age appropriate & welcoming styles. Please view the individual class descriptions for more information on each style of fitness.

**Group X Classes:** for adults and youth ages 14yrs & up.

**Family Fitness Series:** for adults and children ages 6 and up. Youth must be accompanied by an adult. Younger ages welcome with approval from instructor.

\* Indicates lower impact classes designed for seniors and/or individuals seeking a lower intensity/slower paced workout.
