

# POOL CLOSURE

## MDCC Boiler Replacement Project

This project will replace the existing boilers with new, high efficiency boilers. The boilers heat the pool water and provide building heat for the lobby and locker rooms. The existing boilers have reached the end of their service life.

Work will take place during the month of November, 2017 and a pool closure will be required to complete the project.

### POOL CLOSURE

11/06/17 - 11/12/17

### SPA CLOSURE

11/06/17 - 11/19/17

### LOCKER ROOMS

Locker rooms will remain open, but may feel cooler. Hot water for the showers will not be affected.

We apologize for any  
inconvenience.

Thank you for your cooperation.
