If a player has a disability and needs an accommodation in order to participate, it needs to be brought to the attention of Portland Parks and Recreation Sports office at least 48 hours in advance of each game so that arrangements can be made.
3. **HIGH SCHOOL PREP DIVISION and HIGH SCHOOL DIVISION:** The above rule does not apply. Follow High School Federation Substitution Rules (Free Substitution is allowed).

A major goal of the Saturday Youth Basketball program is maximum participation by each player, not just the best players. This participation rule attempts to promote maximum participation yet allowing the coaches as much latitude as possible. This rule requires each player to play a full quarter; it is not intended that any player sit out three full quarters. It is intended that playing time be as equal as possible and that after the one quarter without substitution rule is satisfied, each player make at least one or two more entries into the game.
