The Better Housing by Design project is revising development and design standards in Portland's multi-dwelling zones (R3, R2, R1 and RH) outside the Central City. These medium- to high-density residential zones provide opportunities for new housing to meet the needs of a growing Portland. The types of housing allowed in these areas include apartment buildings of varying sizes, fourplexes, townhouses and rowhouses. This project will include a focus on East Portland, fostering better new development that reflects the area's distinct characteristics and residents' needs.

Bill Cunningham, BPS Project Manager, will brief the UFC on the project in advance of the Discussion Draft scheduled for release on January 19.

**10:30 – 10:50am: Appeal – 7307 N Foss Ave.\***
