

**Glenhaven Park – Design Reveal – April 2018
Comment Form Summary**

The draft final design for the Glenhaven Park Bond Project was revealed at the New Year in the Park event on Saturday, April 28, 2018 at Glenhaven Park. Many people stopped by to see the design, and 46 comment forms were completed. Outreach included emails to the project list, posts on the project website and Parks online calendar, flyers distributed to nearby park neighbors and to students at Roseway Heights School, and posts on NextDoor.com. The comment form was posted online for a week after the event, along with the presentation materials. A total of **103 comments** were received.

The goal of this event was to get feedback from the community on the draft final design for the playground. Boards were posted showing the input received from the first open house and the design's elements. Project staff were on hand to guide visitors through the displays and answer questions.

It should be noted that this report reflects the opinions of those who chose to participate. It is not necessarily representative of the broader community. This information, in addition to information provided by Parks staff, will be used to inform the design process for the Glenhaven Park playground.
