Pre-registration for Currently Enrolled Families

Opens February 12 at 10:00am and ends February 16

Ensure your space in next year's Portland Parks Preschool by taking advantage of this early registration period. Registration must be done in person.

Open Enrollment

Begins Tuesday, February 20 at 10:00am

- Children must be the correct age on or before September 1, 2018.
 - Children must be potty trained.
- All registration is on a first come, first served basis.

On the day of registration, please, be prepared with the following:

- \$35 non-refundable registration fee

St. Johns Community Center • 8427 N. Central Street, Portland OR 97203 • 503-823-3192

PORTLAND PARKS PRESCHOOL

Portland Parks Preschool runs September through June. When you register your child, we plan on having your child with us for the entire school year. We typically follow the standard Portland Public School year calendar, observing all holidays, breaks and teacher planning days.

Fees for Portland Parks Preschool are based on number of days per week and number of hours per day. Monthly tuition amounts have been calculated by taking the total number of program days, determining the annual fee and then dividing the annual fee into 9 equal payments (September – May, no payment for June). There is an annual non-refundable registration fee of \$35 for each child due at the time of registration.

**All students must meet the minimum age requirement on or before September 1, 2018.
Unfortunately, we do not make exceptions to this policy.**
