

## INVESTMENTS IN INNER NORTHEAST PORTLAND ANNOUNCED 2013-2018

August 2018 | Since 2013, Parks Commissioner Amanda Fritz and Portland Parks & Recreation have allocated **over \$5M in park planning and capital investments in the Northeast Coalition of Neighbors (NECN) area**. Funded by System Development Charges (SDCs), the Parks Replacement Bond (Bond), General Fund (GF), and in some cases matched by other partners, these investments grow or improve access to, or help maintain, parks and trails. Questions? Please call Jennifer Yocom at 503-823-5592.

### CAPITAL PROJECTS, ACQUISITIONS & PLANNING ★

#### #1 ALBERTA PARK HABITAT PATCH

**Completed:** Spring 2018

**Investment:** \$60K GF + Partners

**Info:** Forest landscape featuring 6000 plants, accessible gravel path, nurse logs, root wads, boulders, and fencing. Part of PP&R's Ecologically Sustainable Landscape Initiative, these additions add beauty and natural elements to explore while improving habitat for birds and native pollinators. Thanks to Columbia Slough Watershed Council and community volunteers for their work.

#### #2 FERNHILL PARK SPLASHPAD

**Expected Completion:** Summer 2018

**Investment:** \$1.25M (\$750K SDC, \$500K Bond)

**Info:** Design and construction of splash-pad. Bond Funding used for water line repairs.

#### #3 DAWSON PARK PLAY AREA & WATER FEATURE

**Completed:** September 2014

**Investment:** \$2.73M (\$2.3M TIF, \$230K SDC, \$200K Legacy)

**Info:** Improved pathways, revived landscape, replaced picnic and play area including new play equipment and upgraded accessible playground surfacing. Interactive water feature thanks to Legacy Emanuel Medical Center. This project was initiated by Commissioner Nick Fish in partnership with Prosper Portland (then Portland Development Commission).

### BOND PROJECTS 🏠🚶

#### #4a MATT DISHMAN COMMUNITY CENTER POOL AND SPA

**Completed:** October 2016

**Investment:** \$955,889K (\$748K Bond, \$198K Major Maintenance, \$10K SDCs)

**Info:** Resurfaced the pool and replaced pool filters, expanded spa and replaced all spa mechanical systems.

#### #4b MATT DISHMAN COMMUNITY CENTER ROOF & ELECTRICAL SYSTEMS

**Completed:** To be completed Summer 2019

**Investment:** \$750K Bond

**Info:** Replaced roof and electrical systems.

★ **ADDITIONAL INVESTMENTS OF NOTE**—A new park in previously park deficient area just a few blocks outside the NECN coalition area has been added—K<sup>n</sup>unamokwst Park in 2015.

🏠 **ADDITIONAL INVESTMENTS PLANNED, DETAILS TBD**—Approximately \$200k in Bond funding will also repair or replace playground equipment and/or fix drainage at Irving and Woodlawn Parks.
