Hunt Participation and Activity Requirements

- The **"50% + 1 rule"** is in place to ensure teams are completing tasks together and not splitting up to cover more ground. This means one team mate more than half the number of team members (in addition to the adult, optionally) must be present in each posted photo in order to receive credit for completing a task.
 - team of 4-5 youth = 3 youth must be present
 - team of 6-7 youth = 4 youth must be present
 - team of 8-9 youth = 5 youth must be present
 - team of 10-11 youth = 6 youth must be present
 - team of 12 youth = 7 youth must be present
- Trivia Tasks
 - Must include the full and correct answer to each trivia task written on the team's official score sheet to earn points
 - Answers must be legibly written on the score sheet. If the judges can not read the response, you will NOT receive credit.
- Photo Tasks
 - Must be documented by posting the required photo specifically to the Instagram page designated on the registration form.
 - Each photo must include "50%+1" (rule listed above) of youth. Adult welcome but not mandatory;
 - Date & time of IG post must be listed correctly on the team's official score sheet;
 - Posts must include #PdxParks, #EDCFindYourPath, #TeenForce, #<school where photo was taken>; additional hashtags representing sponsoring organizations welcome but not required for full credit.
 - All photos must also tag the @pdxparks_teens in each EDC Find Your Future post

Additional guidelines will be included with task list, when posted at 4pm on Friday, March 20!
