

City Nature Explorers

Outdoor ecology classes for children ages 5-12

Portland Parks & Recreation | Environmental Education

Connect to nature through science and play!

Our Environmental Education staff will immerse your child in sensory activities, science investigations, games, and exploration that align with common science units.

- Classes are hands-on, social, and fun
- Each class runs for 2.5 hours
- Join us for one class or sign up for them all!
- Morning classes for K-4th graders
- Afternoon classes for 3-6th graders

Class options:

- Rocks & Volcanoes** - January 27 at Mt. Tabor Park*
- Corvids** - February 24 at Whitaker Ponds Natural Area*
- Decomposers** - March 23 at Laurelhurst Park*
- Habitats** - March 25 at Hoyt Arboretum*
- Amphibians** - April 20 at Oaks Bottom Wildlife Refuge*
- Plants & Pollinators** - May 18 at Powell Butte Nature Park*

Cost - \$21/participant per class
