## WEDDINGS IN A PARK OR GARDEN

Portland Parks & Recreation (PP&R) has 200+ parks, gardens, and picnic areas that may be reserved for weddings and/or receptions. A permit must be obtained for any legal union ceremony in a public park when guests are invited. This includes ceremonies consisting of more than the couple, officiant, and two witnesses. This document includes information Portland's most beloved and popular wedding locations, and the corresponding capacity and fees. Keep in mind that while weddings may be scheduled at a picnic site, receptions may not be scheduled at a wedding garden or other restricted area due to capacity and other limitations.

## ABOUT RESERVATIONS AND MORE

- All wedding site reservations are from 8:00 AM to 9:00 PM, except where more specific details are listed in the tables on pages 4-8 of this document.
- Picnic shelters have a capacity of 100 people, unless there are more than 10 tables.
- Wedding permit requests must be made at least 45 days in advance of your event to avoid rush fees. If you would like to book a date less than fifteen (15) days in advance, please call our office at 503-823-2525. ## INSURANCE

Insurance may be required for your permit and may be purchased from a variety of sources:

- The City has arranged to make liability and property coverage available for those using city facilities or venues through Tenant Users Liability Policy (TULIP). This insurance is designed specifically for users of city facilities and venues so it meets our agreement requirements, and is often more cost effective than options listed below. Coverage is provided for the majority of events, however large scale events, or events with dangerous or risky activities, may be excluded.
- Many homeowners' policies offer coverage for an event, or a special rider can be purchased.
- Many insurance agencies can put together what is called a special events policy.
