

# 900.30 FRS Frequency Mapping

In order to guard against many NETs attempting to use the same FRS frequency at the same time during a large response, this map was developed to designate recommended FRS frequencies by neighborhood.

A table listing each neighborhood alphabetically with its frequency appears on the next page.

Map designed by John Beaston, ARO

# Recommended FRS Radio Frequencies

Alphabetical by  
neighborhood

Neighborhood/Freq	
Alameda	5
Arbor Lodge	5
Argay	3
Arlington Heights	3
Arnold Creek	7
